Girl Scout Troop 4778 Silver Project to Benefit Animal Services

In an effort to earn the prestigious Silver Award, local Girl Scout Cadet Troop 4778 has set their sights on raising awareness about Flower Mound Animal Services, specifically the services provided, the benefits to the community, and the many ways residents can help contribute to the success of the Flower Mound Animal Adoption Center. The Troop has created a campaign called "**Hand to Paw Month**", which will run from October 15 to November 15, where local business partners will display donation bins on site, encouraging residents to help restock the Adoption Center with needed supplies like litter, dog and cat food, blankets, beds, and more. See the full list of brand specific items needed by visiting the Animal Services website. Donations drop boxes can be found at the following Flower Mound businesses now through November 15:

• Flower Mound Town Hall, 2121 Cross Timbers Road

• Flower Mound Senior Center, 2701 W. Windsor Drive
