TRANSPORTATION COMMISSION AGENDA ITEM NO. 2

REGULAR ITEM

DATE: May 16, 2019

FROM: Blake Hummel, P.E., CFM, Senior Project Engineer

ITEM: **Consider a recommendation to staff for approval of the continuation of the Windsor Roundabout Connection project which includes extending Windsor Drive to West Windsor Drive.**

BACKGROUND INFORMATION: This regular agenda item is to discuss the Windsor Roundabout Connection project scope, results of traffic study performed, clarify questions/concerns received during design stage, neighborhood meeting and Town Council public participation minutes and receive a recommendation on the project. Additional project information included below:

PROJECT SCOPE-

The project consists of the extension of Windsor Drive to West Windsor Drive and connection to the existing roundabout located just south of Pinon Street. See vicinity and aerial maps as attachment 1 and 2 respectively. The project includes the installation of the two-lane concrete residential street (37' B-B width) including modification to the existing eight-foot multi-use trail and amenities located along West Windsor Drive within the vicinity of the connection.

CURRENT PROJECT TIMELINE-

2018

- August 20, 2018 – Public Hearing for Budget (included Windsor in CIP portion of budget) –Windsor Roundabout project specifically pulled out of summary and presented separately.
- September 17, 2018 – Budget adopted.
- December 17, 2018 – Design contract approved by Council

2019

- January 18, 2019 – Project added to construction page on website and "Notify Me" participants updated. Details included: "January 24 – kick off meeting held"
- February 2, 2019- Construction page updated/Notify Me notification sent. Details included: "Neighborhood meetings being scheduled"
- March 5, 2019 - Construction page updated/Notify Me notification sent. Details included: "Neighborhood meeting scheduled for March 28 at the Library"
- March 5 & 6, 2019 - Letters sent to all homes (since no HOA) in all phases of Westchester.
- March 13, 2019 – New Flash item on Town website about the Neighborhood meeting/"Notify Me" participants updated.
- March 28, 2019 – Neighborhood meeting held at the Library. Based on feedback received, staff initiated a traffic study to be performed.
- April 1, 2019 – Direction given by Council: Once traffic study complete; bring to the Transportation Commission.

TRAFFIC STUDY RESULTS-

The Town was asked about the projected traffic counts that would likely result if this connection was made. The Town contacted their consultant, Kimley Horn and Associates, that is performing the Town wide Transportation Model update to determine the feasibility of this request. The consultant was able to work this project into the Town wide model at no additional fee. The results of the modeling work is as follows:

SCENARIO	Windsor (East of Churchill)	Churchill (South of Windsor)	Windsor Connection
Town Counts	1,748	2,587	N/A
Town Counts Calibrated with Windsor Connection	1,114-1,448	2,945-4208	1,578-2,931

SUMMARY OF RESIDENT QUESTIONS, CONCERNS & COMMENTS-

INCREASED TRAFFIC-

- Existing difficulties getting onto Windsor Drive with on-street parking and visibility issues, increased traffic would magnify this problem
- Windsor connection will be utilized as a cut through for surrounding neighborhood traffic
- Additional noise and commotion

NOTIFICATION-

- Assured by Town Council that Windsor Drive would not be a cut through
- Requested public hearing before construction begins
- Homeowners not notified of being on the agenda when this project was created

SAFETY-

- Safety concerns for pedestrians at Flower Mound Elementary, Glenwick Park and West Windsor Park
- Increase in traffic accidents and potential deaths
- Fire Department Zone Map attached, see attachment 5

SCHOOL TRAFFIC-

- Heavy congestion during drop-off and pick-up hours
- Alleys will be utilized as a bypass to Flower Mound Elementary School traffic on Windsor Drive
- LISD/Flower Mound Elementary Service Boundary Map attached, see attachments 3 and 4

REQUESTED IMPROVEMENTS IF CONNECTED-

- Install stop signs at Avon Court and/or Thames Court
- Install flashing beacons for the crosswalk at Windsor Drive and Churchill Drive intersection
- Install speed humps along Windsor Drive to reduce speeds
- Remove no right turn at West Windsor Drive and FM2499 intersection

MISC-

- Proposed street name changing
- Widening Windsor Drive/ROW Acquisition
- Potential for increased crime due to greater accessibility to the neighborhood
- Windsor Drive is not on the Master Plan (Thoroughfare Plan)
- Additional connection to the neighborhood will change the character of the Westchester neighborhood
- Affected property values and ability to sell in the future

ATTACHMENTS:

1. Vicinity Map
2. Aerial Overview
3. LISD Service Boundary Map (Existing)
4. Flower Mound Elementary Service Boundary Map (Proposed)
5. Fire Department Zone Map

RECOMMENDATION: Move to approve as presented in the agenda caption.

NOTE: The portrayal of school district boundaries, in direct relation to the street detail shown, is only as accurate as the scale of the base map will permit.

In determining school district residency, exercise caution where a residence lies at or near the school district's boundary. For clarification, please call the LISD Student Services office at 469-713-5206.

For tax questions about property that lies at or near county lines, please contact the county tax assessor.

TRANSPORTATION COMMISSION AGENDA ITEM NO. 3

REGULAR ITEM

DATE: May 16, 2018

FROM: Clay Riggs, PE, CFM, Assistant Director of Public Worksr

ITEM: **Consider a recommendation to staff for a list of proposed streetlight locations for installation through a FY2019-2020 Streetlight Installation Project to be added through the annual budget process.**

BACKGROUND INFORMATION: As part of the Road Safety Enhancement Program, better visibility on roadways at night was discussed as a priority. Staff was asked to present proposed locations that would allow for installation of streetlights in order to provide increased lighting and improved visibility at night.

The current fiscal year provides funding for a streetlight installation project that includes locations previously selected by resident and council requests. Staff is seeking a recommendation from the Transportation Commission on a list of streetlight locations to be installed in the FY2019-2020 budget year with a proposed Streetlight Installation project with an expenditure of $115,000.00.

ATTACHMENTS:

1. FY2017-2019 Current List of Streetlight Locations
2. FY2019-2020 Proposed List of Streetlight Locations

MOTION: Move to approve as presented in the agenda caption.

TRANSPORTATION COMMISSION AGENDA ITEM NO. 4

REGULAR ITEM

DATE: May 16, 2019

FROM: Clay Riggs, PE, CFM, Assistant Director of Public Works

ITEM: **Consider a recommendation to staff for a list of proposed sidewalk links locations for inclusion in the FY19-20 Sidewalk Links Construction Project, through the annual budget process.**

BACKGROUND INFORMATION: Through various years several different projects were programmed to address some of the sidewalk gaps that have existed up to now. These projects consisted of the 1997 Bond Election; 2004 Council Communication; Town Construction Projects; Annual Sidewalk Program; Sidewalk Links Projects and Private Development.

Currently, funding for trail construction and maintenance is paid through park development funds and 4B sales tax revenue. The park development funds and the 4B sales tax money are used for infrastructure improvements at park locations and for trails.

General funds are used by Public Works to provide maintenance of existing sidewalks along arterial and collector streets by replacement of approximately 1,000 linear feet annually, at a cost of approximately $25,000.00.

The annual sidewalk program allows a resident to reimburse the Town for sidewalk replacement along their property and a repayment option over a 12 month period. The program allows for residents to take advantage of lower construction prices offered as part of a Town contract. As a self-supporting account, the Neighborhood Improvement Fund is dependent upon the revenues generated by the resident's reimbursements to generate the revenue to cover the following year's cost of operation.

During previous years, the Transportation Commission has recommended to staff a proposed list of Proposed Sidewalk Links locations with a proposed expenditure of $150,000.00. The proposed locations were based on, but not limited to the following factors:

- Must be alongside an arterial/collector street
- Must be adjoining a developed property
- Locations have been repeatedly requested by residents
- Locations identified by the Transportation Commission at past meetings.
- Project costs
- Non-trail segment
- Proximity to school locations

Similar to last year's proposal, staff is seeking a recommendation from the Transportation Commission for a proposed list of sidewalk links to include in the FY19-20 budget year with a proposed expenditure of $150,000.00. Attachment 1 contains an updated list of sidewalk link locations currently under review. Budget costs have been updated to reflect current construction costs and field conditions.

As in previous years, projects should be selected based on the above list of factors.
