Effective March 16, 2020, Texas Governor Abbott suspended certain Open Meeting rules to allow telephonic or video conference meetings of government bodies that are accessible to the public to decrease large groups of people from assembling. The suspension temporarily removes the requirement that government officials and members of the public be physically present at a meeting location. The Town of Flower Mound Tax Increment Reinvestment Zone #1 Board (TIRZ #1) meeting will be temporarily held via video conference. A recording of the meeting will be available the following day at <https://www.flower-mound.com/fmtv>, look for the "Other Meetings Archive" menu.

**A. CALL TO ORDER**

**B. PUBLIC COMMENT**

The purpose of this item is to allow the public an opportunity to address the TIRZ #1 Board on issues that are not indicated as a "Public Hearing" on this agenda. Issues regarding daily operational or administrative matters should first be dealt with by calling Town Hall at 972-874-6000 during business hours.

**B. PUBLIC COMMENT**

None.

**C. REGULAR ITEMS**

**1. Consider approval of the minutes of the December 3, 2018 meeting of the Flower Mound Tax Increment Reinvestment Zone #1 (TIRZ #1).**

Board Member Lipscomb moved to approve the minutes of the December 3, 2018 meeting. Vice Chair Collins seconded the motion.

The motion carried by a vote of 4 to 0.

**2. Consider approval of the 2019 Annual Report of the Flower Mound Tax Increment Reinvestment Zone #1 (TIRZ #1).**

Director of Economic Development, Andrea Roy, provided a brief overview of the 2019 Annual Report of the Flower Mound Tax Increment Reinvestment Zone #1 (TIRZ #1), beginning with updates on the public infrastructure projects mentioned in the beginning of the report. The River Walk parking structure has been open for a year and a half. At the last meeting, the developer had not yet requested the \$1 million TIRZ reimbursement, and they still have not; however, Andrea Roy stated that she has been communicating with them, and they have indicated that they intend to move forward with the request but have not done it yet. The developer is negotiating with Centurion

American on the private side on the parking structure before coming forward and requesting the reimbursement from the Town. Andrea Roy anticipates hearing from the developer in the near future.

The other prominent project that was funded with TIRZ funds was Town Hall. During last year's TIRZ #1 Board meeting update, only half of the Town's staff was in the building. The staff members who were previously located in the Atrium have now fully moved into Town Hall.

The Capital Improvement Plan Budget has been updated since the last meeting. FM 2499 at Waketon Intersection, East Waketon Road Drainage Improvements, and Morriss Waterline Project Phase III are three items that have moved forward to where they are listed on the budget. Several adjustments were made: College Parkway at FM 2499 was reduced from \$150,000 to \$115,000, Improvements in the Forum (Riverwalk) Area was reduced from \$4 million to \$730,000, and there were several other miscellaneous adjustments as well.

Overall, the TIRZ #1 is very healthy, as revenues were up this year compared to last year. The ending balance is over \$13,200,000 versus \$13,400,000 last year. Revenues were up, but funds were spent on the projects that are moving forward.

Vice Chair Collins asked if there is anything that is not listed that has not yet been addressed, to which Andrea Roy responded that as the TIRZ is starting to wind down, most visible projects have already been identified. Debra Wallace stated that as of right now, the only project that might come forward is a possible signal at Morriss and Eaton.

Chairman Stone stated that the Town is generating approximately \$4 million each year at the current level, and confirmed with Town staff that it will be complete by 2026. Chairman Stone noted to the Board that if the general public asks when the funds will go back to the General Fund, it will be five to six years.

There were no further questions or comments regarding the Annual Report.

Vice Chair Collins made a motion to approve the 2019 Annual Report of the Flower Mound Tax Increment Reinvestment Zone #1 (TIRZ #1), and Board Member Engel seconded. No additional questions or comments were made. The motion carried by a vote of 4 to 0.

### **3. Review and consider approving revisions to the Flower Mound Tax Increment Reinvestment Zone #1 (TIRZ #1) Project Plan and authorizing specific projects for funding.**

Debra Wallace pointed out that the FM 1171 at FM 2499 Eastbound Right Turn Lane project has been completed, but there is a remaining balance indicated on the Project Plan. Staff will be coming back to request reallocating the remainder of that balance, except for approximately \$3,000, which is about \$350,000. The Town did not have to purchase the right of way for that project, which led to substantial savings. As a result, staff will come back to the Board at some point in the future to request reallocation of those funds to unallocated projects.

The FM 2499 west side from FM 1171 to Dixon water project is beginning, with the construction contract being awarded in September 2019, and the notice to proceed should be issued this month. The Morriss Waterline Project Phase III is listed under the Project Plan; however, the design is not until 2021 and the construction is slated to be done 2021-2022.

The revision noted within the Project Plan includes reallocating the \$400,000 out of the Hike and Bike Trails to the Pink Evening Primrose Trail Connection (Bridge & Trail) project. That project has been approved by the Parks Board. The total amount for the project is \$650,000, with a request of \$400,000 coming from the TIRZ Fund and \$250,000 coming from the Park Development Fund for

**FLOWER MOUND TIRZ #1 BOARD MEETING OF DECEMBER 16, 2019 – PAGE 3**

fees that were paid in by NEM. That project is an 8-foot wide, 150-foot long pedestrian bridge constructed over Timber Creek, and an additional 400-feet of the trail will be expanded, which will tie into Gaston Park at College Parkway, enabling access developments to the south, as well as Timber Trails Park. A design agreement is scheduled for approval at tonight's Town Council Meeting.

No additional questions or comments were made.

Board Member Engel made a motion to approve the revisions to the TIRZ #1 Project Plan and authorizing specific projects for funding and Vice Chair Collins seconded. The motion carried by a vote of 4 to 0.

**YEAR END SUMMARY OF MEETINGS/TOWN COUNCIL/BOARD ACTIONS**

During the period from October 1, 2019, through September 30, 2020, the Town of Flower Mound Tax Increment Reinvestment Zone #1 (TIRZ) Board of Directors met once. The meeting was held on December 16, 2019 to approve the minutes from the December 3, 2018 TIRZ board meeting and the 2019 Annual Report.

Town of Flower Mound Economic Development Director, Andrea Roy, provided a brief overview of the 2019 Annual Report of the Flower Mound Tax Increment Reinvestment Zone #1 (TIRZ #1), including information that had changed since the previous annual report.

Deputy Town Manager/CFO, Debra Wallace, presented the revisions to the TIRZ #1 Project Plan, which included reallocating the \$400,000 out of the Hike and Bike Trails to the Pink Evening Primrose Trail Connection (Bridge & Trail) project. The total amount for the project is \$650,000, with a request of \$400,000 coming from the TIRZ Fund and \$250,000 coming from the Park Development Fund for fees that were paid in by NEM.

Board members appointed and serving at the time of the December 16, 2019 meeting: Town—Paul Stone, Bill Collins, Jim Engel and County—Larry Lipscomb and Lori Fickling. Ex-Officio members were Mayor Steve Dixon and Town Manager Jimmy Stathatos.

During the period from October 1, 2019, through September 30, 2020, the Flower Mound Town Council took the following action:

- At a meeting on December 16, 2019, the Town Council approved the 2019 Annual Report for the Flower Mound Tax Increment Reinvestment Zone #1 (TIRZ) in accordance with Chapter 311 of the Texas Tax Code.

**PUBLIC INFRASTRUCTURE/BUILDING PROJECTS**

**2019-2020**

**River Walk Parking Structure**

On October 20, 2014, a Chapter 380 Partnership Agreement was executed between the Town of Flower Mound and RMI River Walk Investors, LP, which included the use of TIRZ funding for up to \$1 million for a public parking structure on the site of a nationally-branded hotel; later named the Courtyard by Marriott Dallas Flower Mound. Section 7 of the Agreement specifies that this financial assistance provided by the TIRZ may not exceed \$1 million and will be paid as reimbursement for infrastructure costs following the issuance of a Certificate of Occupancy for the parking structure. A First Amendment to the Chapter 380 Agreement was approved by Town Council on May 4, 2015, placing additional requirements on the acceptance of these TIRZ funds, in exchange for an extension to the parking structure's building permit deadline. On September 18, 2017, the Town Council approved a Second Amendment to the Chapter 380 Agreement, extending the required completion date of the parking structure. Since approval of the Second Amendment, RMI River Walk Investors, LP, completed the parking structure and received a Building Final on March 23, 2018. RMI River Walk Investors, LP submitted a Payment Request to the Town, and \$1 million was reimbursed for the parking structure on January 3, 2020.

**Town of Flower Mound Public Library Project**

On June 19, 2017, the TIRZ Board recommended the use of TIRZ #1 Funds to pay the annual debt service on the issuance of \$10,900,000 for the Town of Flower Mound Public Library Renovation and Expansion Project. The project consists of a renovation of the existing 25,000 sq. ft. Library and an expansion of approximately 15,000 sq. ft., as well as associated site improvements. The expansion of the Library will create additional adult program rooms, quiet reading rooms, study rooms, additional collection space, a multi-purpose room, and more meeting spaces. On November 6, 2017, the Town Council approved a reimbursement resolution for an amount not to exceed \$10,900,000 to fund improvements in accordance with the FY 17-18 Capital Improvement Plan. On December 4, 2017, the Town Council then authorized the publication of notice to issue Certificates of Obligation, Series 2018, in the principal amount not to exceed \$10,900,000 to fund the project. This same evening, Town Council approved a professional services agreement for Library design services with Komatsu Architecture. Komatsu Architecture was the architect for the Library when originally built. Later, the Construction Manager at Risk (CMAR) contract with Steele & Freeman, Inc. was approved by the Town Council on June 18, 2018. The site plan was approved on

March 20, 2019, and the construction award and testing award were both approved at the May 6, 2019, Town Council meeting. The approved Guaranteed Maximum Price (GMP) with Steele & Freeman, Inc. for the construction of the Library Expansion Project was in the amount of \$10,399,482.11. The Library reopened on November 1, 2020 with normal hours of operation, and the ribbon cutting/grand opening was held on November 5, 2020.

**Street Projects**

**FM 1171 Westbound Turn Lane at FM 2499 Intersection**

The project includes the installation of a FM 1171 westbound turn lane at the FM 1171/FM 2499 intersection, providing for approximately 410 feet of paving, hike/bike trails, utility relocations and traffic signal upgrades. The design contract in the amount of \$55,000 was awarded to Kimley-Horn and Associates, Inc. on October 3, 2016. Since that time, project design and right-of-way acquisition have been completed. Franchise utility relocations are currently ongoing. Construction is anticipated to begin summer 2021.

**FM 2499 and Waketon Intersection Improvements**

The project initially included the addition of westbound and eastbound right turn lanes, however, during design and with coordination of adjacent property owners, the project will also include the northbound and southbound right turn lanes. The design contract was awarded to Halff Associates, Inc. in the amount of \$173,450.00 at the March 4, 2019, Town Council meeting. Design has been completed and Town Council approved the construction award on August 17, 2020. Overhead power poles in conflict have been approved/permitted to be relocated and are scheduled to be completed in December 2020. Contractor is potholing additional underground utilities to verify no other franchise will conflict with the new improvements prior to beginning construction. Construction is anticipated to begin January 2021.

**Rippy Road**

Rippy Road will be completed in two phases. Phase 1 (Waketon Road to Pecan Meadows) included improvements of Rippy Road to its thoroughfare plan designated section, a two-lane concrete urban collector. On May 15, 2017, the Town Council approved a development agreement with CalAtlantic Homes, for construction of the improvements, providing reimbursement of the Town's share of the construction costs associated with the infrastructure improvements. Phase I of the project has been completed and the developer has received reimbursement for the construction costs associated with Phase 1.

Phase 2 (Pecan Meadows to FM 2499) includes improvements to approximately 2,500 linear feet of existing two-lane open section asphalt roadway to its thoroughfare plan designated section, a two-lane concrete urban collector. The project also includes an enclosed storm water collection system to improve storm water collection in the area. The design contract was awarded to CP&Y, Inc. at the March 4, 2019, Town Council meeting in the amount of \$298,645.75. During design, additional design services were required. On September 21, 2000 a design amendment was approved by Town Council for the additional work,

**As of September 30, 2020**

increasing the not-to-exceed amount by \$38,140.00. Design plans are 100% complete. Right-of-way acquisition and franchise utility coordination is ongoing. Phase 2 construction is expected to begin in Summer 2021.

**Waketon Road**

Waketon Road will be completed in two phases. Phase 1 (FM 2499 to the western limits of the proposed Bradford Park Subdivision, approximately 1,450' east of Chinn Chapel Road) included improvements of Waketon Road to its thoroughfare plan designated section, a two-lane concrete urban collector. On May 15, 2017, the Town Council approved a development agreement with CalAtlantic Homes, for construction of the improvements, providing reimbursement of the Town's share of the construction costs associated with the infrastructure improvements. Phase I of the project has been completed and the developer has received reimbursement in the amount of \$2,259,020.90 for the construction costs associated with Waketon Road Phase 1.

Phase 2 (Chinn Chapel Road to the western limits of the Bradford Parks Subdivision) includes improvements to approximately 1,650 linear feet of existing two-lane open section asphalt roadway to its thoroughfare plan designated section, a two-lane concrete urban collector. The project also includes a roundabout at Chinn Chapel. This is a joint project with the Town of Double Oak as they improve Waketon Road from Chinn Chapel west. The professional services agreement for the design phase services, with Halff Associates, Inc., in the amount of \$243,225, was approved on November 21, 2016. The plans are 100% complete and all ROW has been acquired. On August 18, 2020 Bids were received for the project. The Town of Double Oak requested a redesign of portions of their portion of the project due to funding issues. Rebid for Phase 2 will occur Spring 2021 with construction anticipated to begin Summer 2021. Franchise utility relocation is ongoing.

**Churchill Drive**

The project consists of extending Churchill Drive approximately 400 feet east to connect to Yucca Drive. Churchill Drive will be built during the reconstruction of Yucca Drive from Sagebrush to approximately 700 feet south of Cross Timbers. On June 20, 2016, the professional services agreement with Criado and Associates, Inc. to provide professional engineering services for the Yucca and Churchill projects in the amount of \$181,249 was approved. On June 5, 2017, Amendment No. 2 was approved in the amount of \$17,937 to the professional services contract to provide additional design services associated with the relocation and replacement of approximately 1,150 linear feet of waterline along Yucca Drive. Town

Council awarded the construction of both projects on August 20, 2018. Notice to proceed was provided to the contractor on November 5, 2018, and the project was recently completed.

**East Waketon Rd Drainage Improvements**

The project consists of channel excavation from FM 2499 to Waketon Road and culvert replacement under Waketon Road to alleviate the recurring flooding and traffic disruption of Waketon Road, east of FM 2499. The project will be constructed in two phases. Phase 1 provides for the channel excavation and Phase 2 provides for culvert replacement. In 2017, a drainage study was completed which provided hydraulic modeling of existing conditions, analysis of alternatives and a final report. The design was awarded on January 7, 2019, and plans are holding at 60% complete. During design it was determined that a reassessment of the upstream hydrology was needed to better model the existing conditions. The reassessment will explore the possibility of minimizing the project limits to reduce the impacts on trees and residential properties. Construction is currently scheduled for FY 21-22.
